

Agreement between Dugal Jeremy Harris and Gamtoos Irrigation Board

Eastern Cape Restoration Programme Internship Protocols

This document is aimed to supply guidelines to supervisors and students that receive internship funding from Gamtoos Irrigation Board via the Working for Water Programme for the Department of Environmental Affairs.

Reporting

Results should be submitted to the Port Elizabeth office for the attention of Andrew Knipe. All results for the 2012 year should be submitted by the 20th of December 2012.

Interns will ultimately be accountable to Gamtoos Irrigation Board, but where relevant reports and results must be approved by the respective R3G member.

For the purpose of this document R3G is generally referred to as the group of scientists that tender their services to the Working for Woodlands Programme.

Students might be requested to prepare presentations for the Eastern Cape Restoration Meetings. Such attendance is compulsory when given notice by the area co-ordinator.

General commitments

The recipient is to supply detailed results by the 20th of December 2012. For subjects failed, the recipient is expected to refund Gamtoos Irrigation Board pro rata of the total bursary for the specific subject failed.

This bursary is granted with the understanding that the thesis in the final year will be related to Working for Woodlands activities.

Gamtoos Irrigation Board does not commit itself to any additional funding other than the amount specified in this document.

Ethics and code of conduct

Behaviour and work needs to be undertaken in an ethical manner and comply fully with the ethics policy of their host university. The university's policies with regards to plagiarism and fieldworker safety need to be complied with

fully. Where interpreters are used, suitable daily rates need to be employed for services rendered.

Budget

A budget of R15 000.00 for running expenses will be made available to the student. This will be a direct payment to the student and the student is expected to pay all costs relating to the relevant university.

Gamtoos Irrigation Board will accept no responsibility for any costs other than the invoiced and approved amount of R15 000.00

Expenses

No other expenses are applicable to this bursary.

Loss control of Gamtoos Irrigation Board Assets

No purchase of any assets is applicable to this bursary.

Deliverables

The recipient is expected to provide a detailed report on all marks achieved by the 20th of December 2012.

Research to be published as soon as possible for entry into the public domain.

For approval all students must submit the following:

Project Proposal
Proof of registration with the University
Prior academic record
Invoice from the respective individual
Signed student agreement
ID copy

Acknowledgements

Interns are required (in all reports, documents and presentations) to acknowledge their sponsors in the form of the Department of Environmental Affairs via the Working-for- Natural Resources Programme.

Gamtoos Irrigation Board needs to be acknowledged in correspondence.
